

Hazelbury Bryan primary School
Sport Premium Money 2017-18

The amount of money we received in total for the 2017-18 academic year was £20,346 this includes £7165.14 that was brought forward from 2026-17 and used to fund a new adventure playground- match funded by our PTFA.

The following table shows the plan for how the money was used and the impact

Provision	Total amount (approx)	Impact on the school
Teaching equipment and resources To include a new adventure climbing frame for the playground	£7165	In order to offer the children as many experiences of sport as possible, new sports were gradually being introduced into the Physical Education curriculum and our extra-curricular provision. These were resourced in order for classes to benefit fully. Teaching resources to allowed teachers to deliver new activities confidently New adventure climbing frame will develop large muscle. These new opportunities afforded all of the children to participate in new sporting activities. The adventure playground improved large muscle control and in EYFS all of the children reached their goal in Physical development
Attendance at and involvement in Sturminster Newton Schools Network sporting events, including coaches for transportation and educational visits involving sports and outward bound activities	£2179.	Children from across the whole school participated in inter-school competitions and festivals. These include tournaments which are pathway events to Level 3 School Games competitions. All children attended WOEC and Leeson House, to participate in new sports – kayaking, sailing, rock hopping etc
Visiting specialists,	£8,246	A varied range of extra curricular activities were offered to both Key Stages. Take up of

<p>including coaches for extra curricular activities and teacher CPD opportunities</p>		<p>these places continued to be high in comparison to previous years. School tag rugby and netball teams received targeted expert training resulting in greater success in local leagues and Level 3 School Games competitions. The status of PE across the school has remained high as a consequence. There are now many younger children who are attending clubs because of their aspirations to be in the school teams when they are older.</p>
